more volunteers mean the group can see more patients.

medbiopub.com

while your beginning to middle was a lot of introduction and character development with some action thrown in to keep the story moving (you don't want it to stagnate after all)

medhouseph.com

a lot of it is overuse, but clearly there are bad outcomes for properly managed patients too

healthwatch.cengage.com

and a very weak economy managed to bring rates down to unsustainably low levels, and the bounce back
